Dear Mr. Atkins,

We at Abernathy & Macgregor are the agency for Imperia vodka, and we would like to thank the CAT Company for producing such an exceptional G8 magazine. Our ad position of outside back cover was perfect, due to the fact that Imperia Vodka was born in St.Petersburg in 1894.

The high profile of the G8 summit is a perfect audience for our brand, and we look forward to discussing future business with you.

Yours Sincerely
